HIGH HOPES WEEKEND

September
19th -21st, 2025

Main Inside Heading

The High Hopes Foundation is committed to providing life-enhancing assistance promoting more independence, more inclusion and more fun to New Hampshire's chronically ill children. Our guiding principle is to *Make Hope Happen*.

A 501(c)(3) nonprofit, High Hopes Foundation of New Hampshire has been providing life-enhancing equipment, assistance and opportunities to New Hampshire's chronically ill children and their families since 1983.

- We were originally founded by two NH Moms in 1993.
- We are a NH-only nonprofit with no national affiliation.
- We are currently 100% run by 6 dedicated and committed volunteers. ***Every single dollar that comes in to our foundation goes directly back to the children of NH.***
- We are helping NH's families, one child at a time.
- We are here to ensure #HopeHappens.

HIGH HOPES

So what exactly do we do?

Our foundation aims to provide children in New Hampshire who are living with chronic health issues life-enhancing assistance to promote more independence, more inclusion and more fun!

Some examples....

Imagine **life-enhancing** equipment often deemed "non-essential" by medical insurance but is essential to the child's quality of life.

- ◇ Off road wheelchairs
- ◇ Adaptive Bicycles / Strollers
- ◇ Adaptive Swings and Swing Sets
- ◇ Ramps
- ◇ Therapeutic Equipment for the home
- ◇ Sensory Rooms

This is just some of the ways that we help families in New Hampshire. Helping families with children with chronic health issues, make life a little easier.

HIGH HOPES WEEKEND

High Hopes Weekend is a weekend filled with raising funds, bowling, and showcasing some great local bowlers and bowlers from the Professional Bowling Association.

Pro Am Event where all bowlers compete in divisions. Professionals bowl along side and their scores used in final standings for bowlers on that lane. Chance to talk and meet professional bowlers.

Scratch Challenge is the Sunday event. Bowlers compete along side the professionals, for a first place prize. In 2024 first place was \$5,000.00.

With the help of the community and sponsorships, 2025 is sure to be the best yet!
